

Channel Checker

The Channel Checker provides vendors with a unique opportunity to get rapid feedback on a variety of issues from senior decision makers within key channel partners. This unrivalled service allows you to quickly understand the channel landscape, the issues, barriers, opportunities and how business is performing.

What do you get?

- Unique, unrivalled, cost-effective, rapid channel surveys
- Eight-to-ten question survey of Candefero members

- May include one or two private questions
- Canalys provides incentives such as tablets or cameras
- Results published on Candefero, also to client
- Any private question results not shared
- Turnaround time of three weeks from project commission
- Significantly reduces cost of conducting research
- Typical CATI-based survey would cost €50,000+ and take longer
- Respondents are already pre-screened
